Antitrust Statement: The fundamental purpose of this session is for the participants to discuss different aspects of the nut and dried fruit industry. It is the policy and practice of the INC Foundation to conduct all its meetings and activities in strict compliance with antitrust and competition laws. There shall be no discussions of competitively sensitive information, including but not limited to prices, rates, coverage, market practices, claims settlement practices, customers or any other competitive aspect of an individual company's operation. INC participants to this meeting commit not to enter into any agreements between undertakings, decisions by associations or undertakings and concerted practices which may affect trade and which have as their object or effect the prevention, restriction or distortion of competition within the internal market. Each participant is obligated to prevent any discussion from falling outside these bounds. **Copyright Notice:** All images used in this presentation are for educational purposes only. They are either in the public domain and not subject to copyright, or have been purchased. All images used in this presentation are the property of their respective copyright owners.
